## ABOUT TRES

Tres International Bangladesh Ltd. is a leading footwear manufacturer with a dedicated team of skilled employees and a strong focus on R&D. Our annual production capacity reaches 360,000 pairs of shoes, serving clients from Japan, Italy, and around the world. Our 38,240 sq. ft. factory is equipped with cutting-edge technology, and our unwavering commitment to innovation and quality sets us apart, ensuring customer satisfaction.

**We don't just make shoes; we create exceptional footwear experiences.**

## MISSION

Our mission is simple yet profound: to deliver footwear that not only meets but exceeds expectations.

## VISION

Our vision is to stride into the future as global leaders in footwear manufacturing. We envision a world where our products adorn the feet of individuals across continents, a testament to our commitment to quality, sustainability, and unparalleled design.

## GOAL

Our core values are craftsmanship, quality, and integrity. We are committed to infusing each pair of shoes with the artistry of our skilled artisans, maintaining unwavering standards of quality, and conducting business with the utmost integrity, ensuring transparency and trust in all our relationships.

# WE CARE ABOUT

## Safety

At Tres, we prioritize safety as a fundamental principle, ensuring the well-being of our employee.

## Sustainability

We prioritize the environment, striving to protect it by using resources wisely for a better future.

## Compliance

We make sure we follow all the rules and laws that apply to our business.

## Improving

We continually improve to provide more value to customers and partners through learning and innovation.

## OUR GLOBAL PRESENCE
